

MAKO AWAY MEET

FEBURARY 3RD 2024

Hosted by the Water Warriors.

This is an away meet. Which means the event will take place at a different location than our pool.

This meet also has "fees" per event.

These fees are collected by Apex but are paid 100% to the away team, Water Warriors.

Fees cover an array of things including but not limited to, officials, timing equipment, pool use, medals and ribbons, ect

All athletes will be entered into the event unless I receive communication otherwise no later than Monday Jan 22nd.

Parents/Swimmers are responsible for meet fees regardless of attendance.

You can expect each swimmer to be entered into 1 of the following scenarios:

3 Individual events 1 Relay

4 Individual events

2 Individual 2 Relays

You will pay the fee from our website Bondsport.

Co Captain was purchased by Bondsport and Apex will use them going forward.

Rob posts the fees and you pay them through your profile/account.

IF YOU HAVE NOT CREATED A PROFILE ON BONDSPOINT

YOU MUST DO SO ASAP

Email Rob if you do not know how to do so. .

I can not stress the importance of attendance to ALL PRACTICES.

Meet preparation is of vital importance. Not only to their physical development, but very much to their mental development. A swimmer unprepared for an event can result in embarrassment or no longer wanting to swim on the team.

We at Apex want every athlete to succeed.

Your athlete is part of a team and everyone's success is determined by commitment.

This was also in the contract every parent and athlete signed and committed to.

Good luck to all!!!
